Most Memorable Moments

Last year on April 20, 2000 when our school was threatened by a bomb. It was a very intense and chaotic day.

-Adrienne Begay

Running cross-country for Coach Ron Bellman my freshman and sophomore year, and getting to know him personally.

-Carlos Clark

My first year as a speech and debate member

-Richard Hodge

My most memorable moment is the cuties that aint be stuck up.

-Mike Jiles

Getting my baby during child development.

-Karen Johnson

Winning the 3A State Track Championship for my former coach Mr. Bellman.

-Braden James

Belly dancing in the Mr. S-Club pageant.

-Gilbert Moncayo

My four years of high school.

-Bubba McKinney

When I got junior class Sweetheart, because I thought I was too ugly to win.

-Lindsay Moore

When I scored the winning point against Monument Valley.

-Francine McCurtain

All four years of High School.

-Sharon Robertson

Shooting an 87 at Regionals last year.

-Wilson Shumway.

All the times with my friends, there were so many I can't count that high, there was like 10. When Heston made that 3 pointer, was a good one.

-Martha Thomas

Every time I did something stupid.

-Kelihan Tsedah

The first 3 weeks of the first 6 weeks when we came back the first semester after the first of the year in 2001.

-Kenieta White

When I made the winning shot at the Aims Ford Shootout.

-Heston Yazzie

When I took first place my sophomore year at the Holbrook Tournament and took first place my junior year at Regionals.

Dear Bubba

Dear David,

Hey you guys, Congratulations!

You both are on your way to do great things in your lives. We will miss you...eating everything you could find, your craziness, and you guys making us laugh. You mean a lot to us. Stay close to God, push yourselves to always do your best, and be happy. Don't forget this home is always here for you and so are we.

Love You So Much,

Linde, Jeff, Chelsea and J.J. McKinney

ADS

Dearest Kristal,

We have watched you grow from being Daddy's Little princess into the beautiful young woman that you are now. We are so very proud of you! The world is yours. Take a hold of your dreams and never let go.

*We Love You,
Mom and Dad*

Jen,
You have made choices throughout your life that has shaped the woman you have become. You have been a wonderful example to your family. You have worked hard and it is paying off. Make music a part of your life everyday, you won't be sorry!

"I hope you never fear those mountains in the distance, Never settle for the path of least resistance, Living might mean taking chances but they're worth taking. When you come close to selling out, reconsider. Give the heavens above more than just a passing glance. And when you get the choice to sit it out or dance...DANCE!"

Love,
Dad & Mom (P.S. Remember who you are, be sweet, Choose the Right)

Dear Tiffany,

It's hard to believe how fast the years have gone by and our little "Tiffy-Nell" has grown into such a beautiful young woman. We are proud of you and all of your accomplishments. May the Lord continue to bless you in all your future endeavors.

We Love You!
Dad, Mom and your sisters

Congratulations Punky!

We are very proud of all you've accomplished. You are a wonderful caring young woman. We wish you the best in life and success.

We love you
very much and
God bless.

Dad and Mom

Jeanette,

Over the years it must have been a really difficult task to stand by my side.

Not only did you do it but also you did it with pride
Never the one to let me fall, the one to remain despite it all

All the mistakes, and misconceives I placed myself in
you were the friend on which I depend
Never the one to criticize, always willing to be my guide
So many times as it was dark and dangerous you remained by my side

While you quarreled with the danger you allowed me to be the one that sat and cried

In the process of giving all, you desired nothing
But in response to receiving all, I do hope that I have repaid something

Hoping to never lose your friendship, but realizing we have to go our separate ways

Realize I'll be your friend until the end of all days
And if you ever need anything, anything at all...Please don't hesitate to call. Your friend

Luck and love in all,
Latosha

Robert,

You are the best thing that ever happened to me!

Love,
Mom
Vivian Cisneros

Laura,

We did not realize how special you were when you arrived. That quickly changed. You are truly a gift from heaven. We could not have been blessed with a more kind, loving, and beautiful daughter. You have a lot of talents and qualities that as parents we admire. It is hard to see you grow up, the time has flown by. You will be great at whatever you do, and we know you will do your best.

We love you Laura!

Love, Dad, Mom, Alyse, Reeves, Felicia, and Shaleah

Robert,

Raising you has been an unforgettable experience, but we do love you.

Nana-Grandpa

George-Rosalie Gonzales

Jannelle Marie,

Congratulations, to our special angel...you did it! We are so proud of you! You will be missed around the house, watch out in Phoenix. Our Lord Jesus has blessed our lives because of you. Set your goals high, for if you miss you will fall among the stars. In everything you do, put God first, and he will direct you and crown your efforts with success.

Love,

Mom, Dad, Jessica, and the boys

Courtney,

We are so proud of you and love you so much. May God bless you and guide you in this new chapter of your life. Remember to give lovingly and you will receive much in return. You will always be our "little girl in pigtails."

Love,

Mom, Dad and Ashley

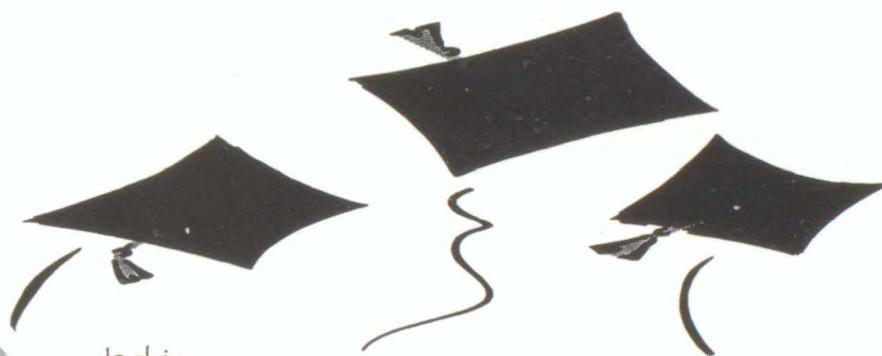

To Lindsay Lu-

We are so very proud of you and we know you will be successful in whatever you choose to do. May God's angels surround you as you go your own way. Keep a smile on your face and an open mind. May the sun always shine upon you. God bless you and we love you very much. Mom, Dad, Kellie and Stacy

Congratulations to the class of 2001 from the Annual Staff

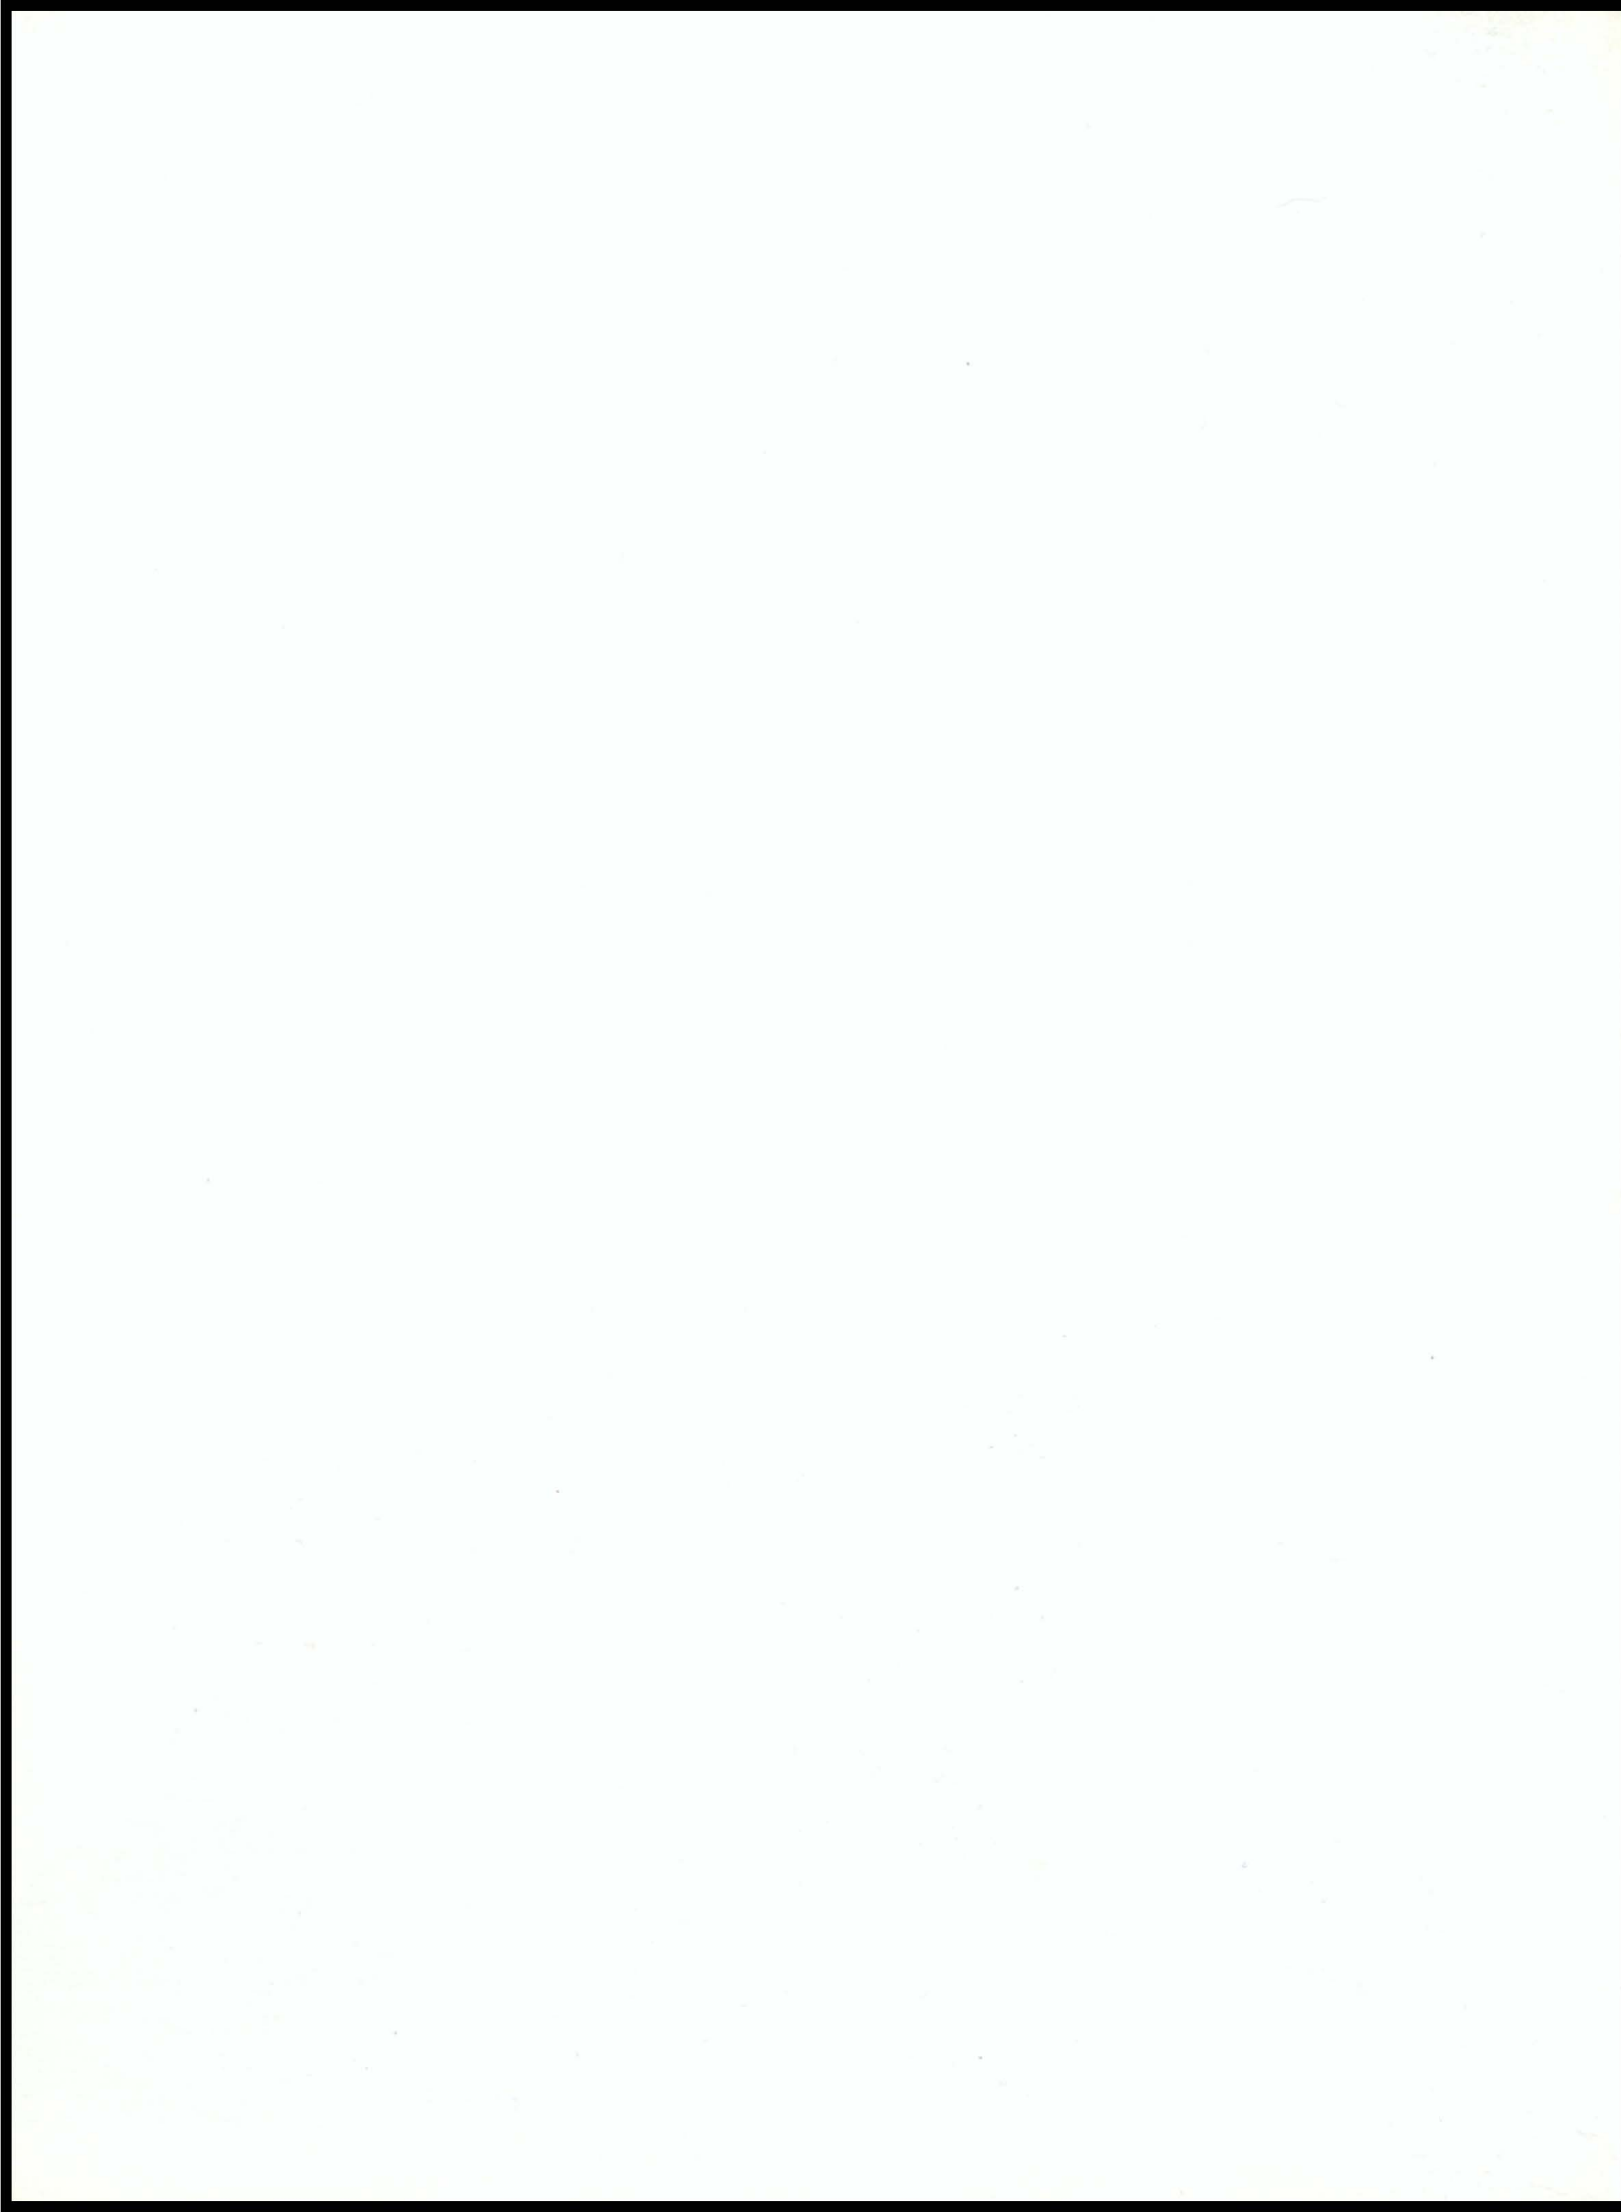

Jackie,

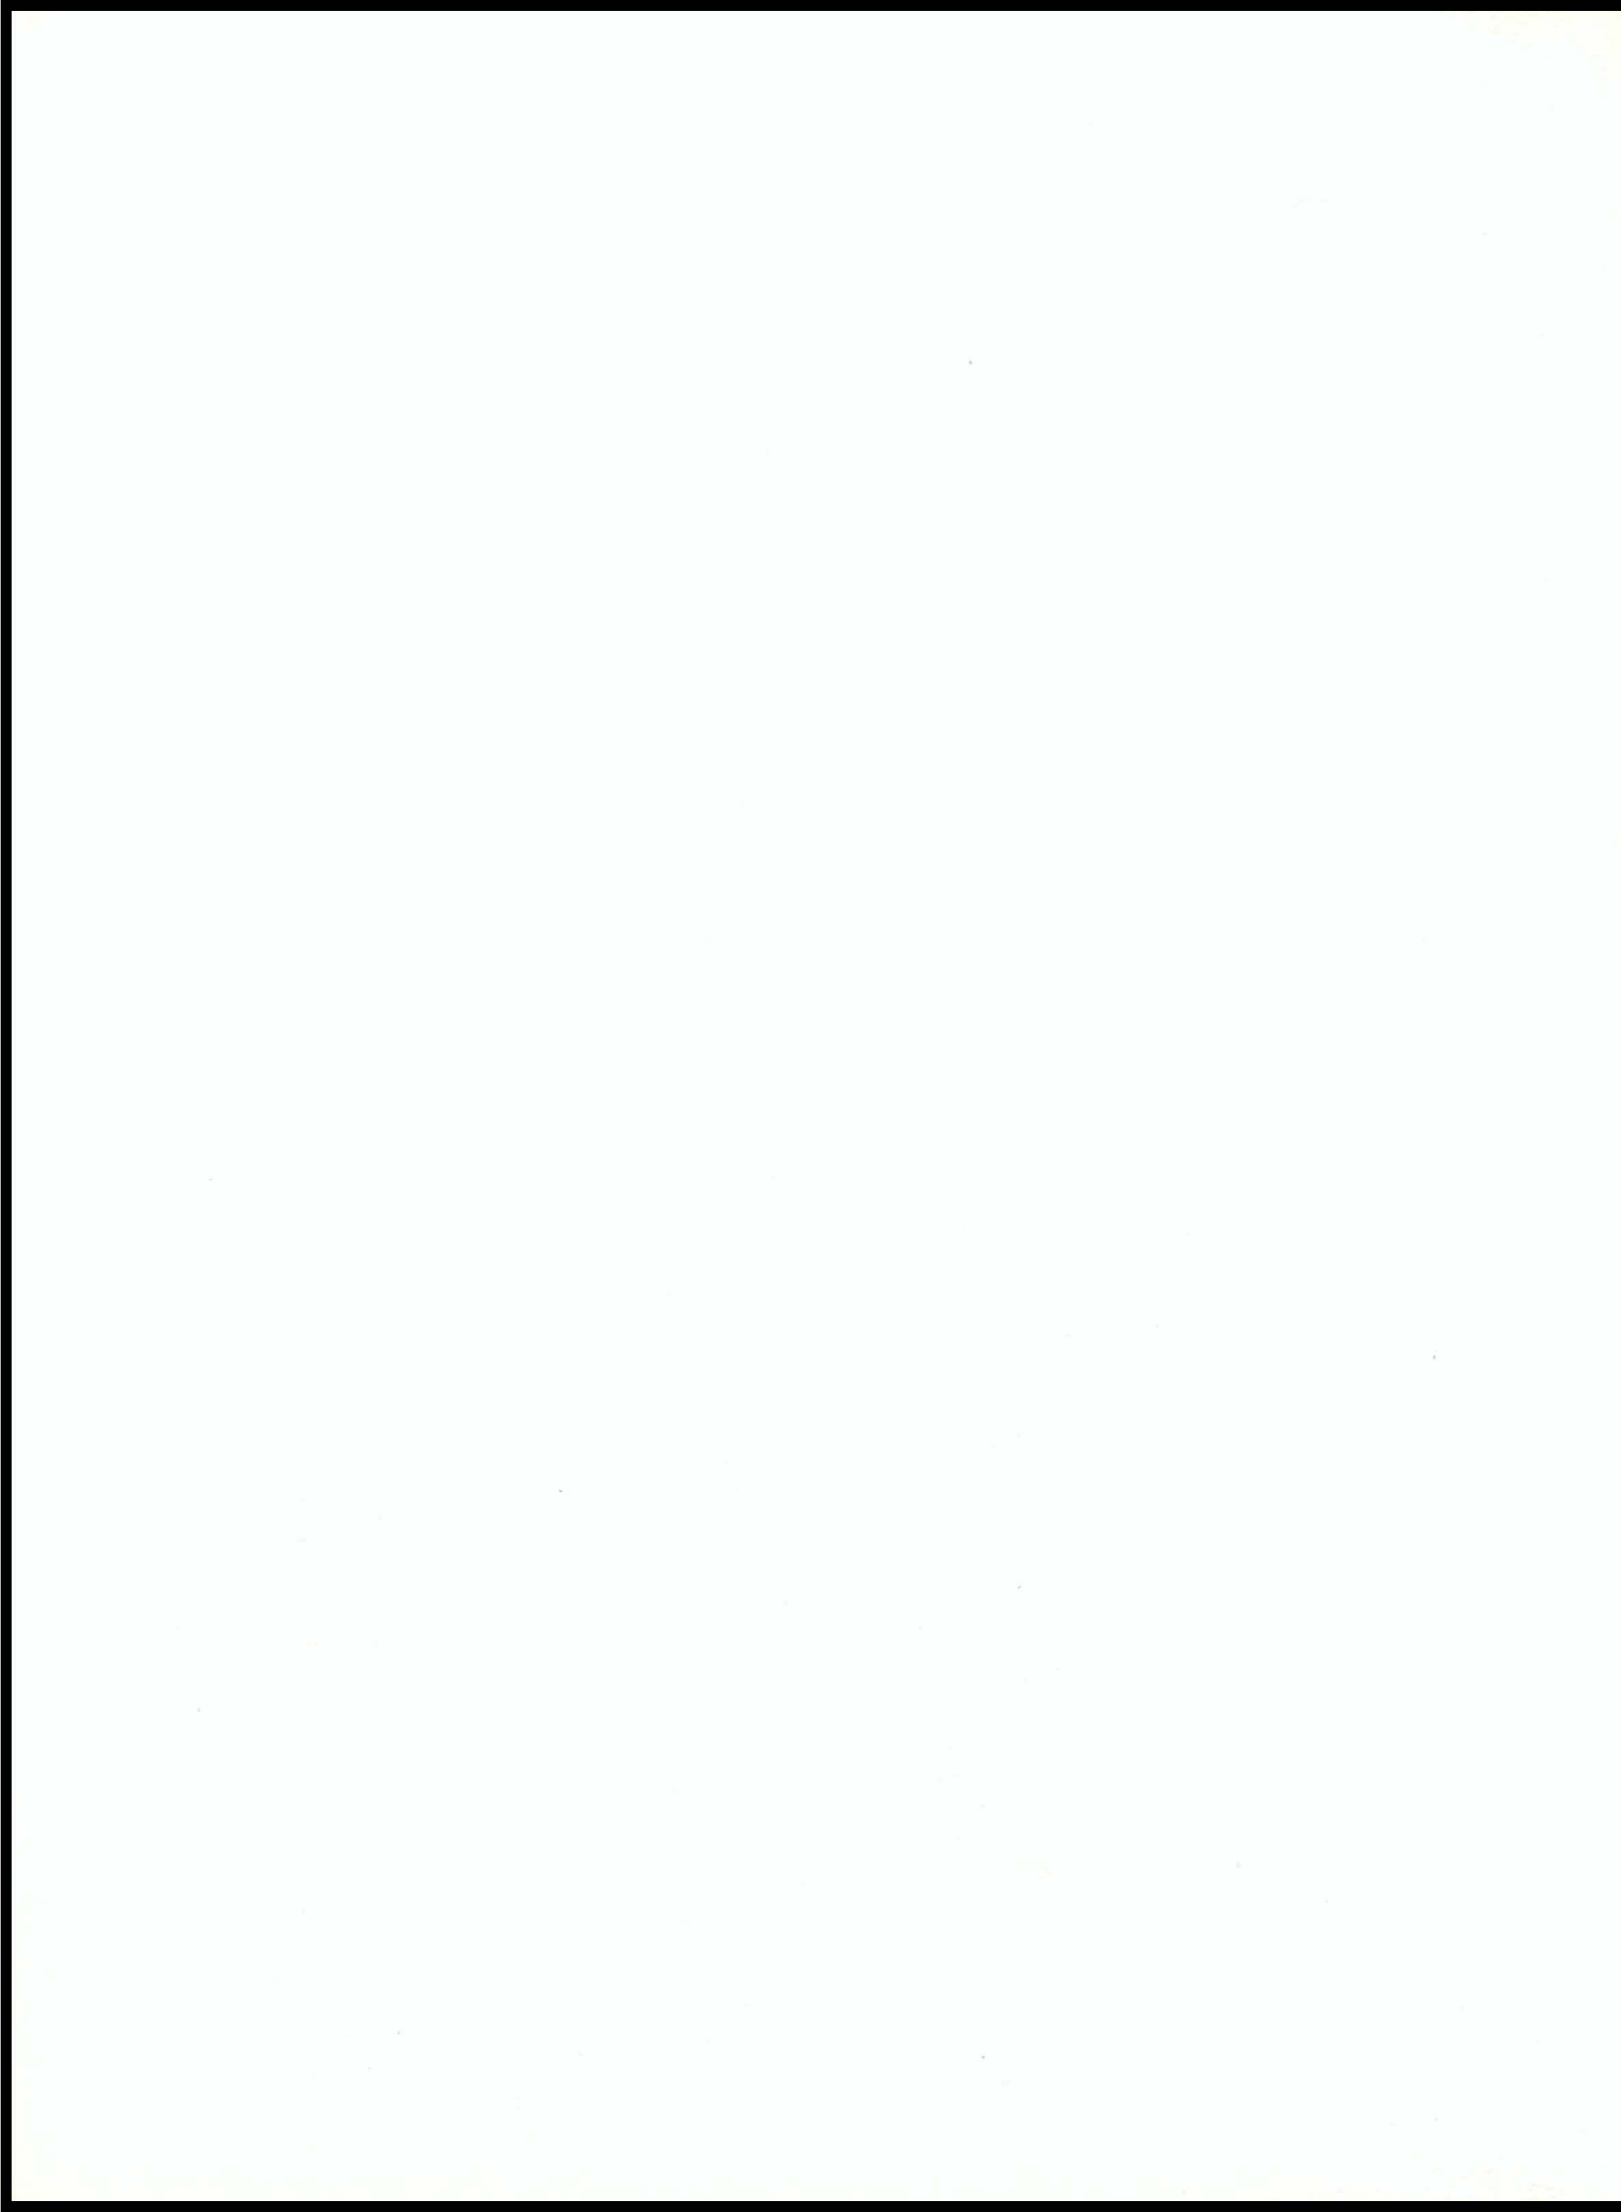

We've watched you grow from our littlest angel to a beautiful, intelligent young woman. Through hard times and good times you've kept your sense of humor and your faith in God. You have been a good leader of your school both academically and in extra curricular activities. We are very proud of you and know whatever career choices you make, you will succeed at and do your best. You are a true friend and loyal to others. Good luck at ASU as you pursue your goal to become a psychologist.

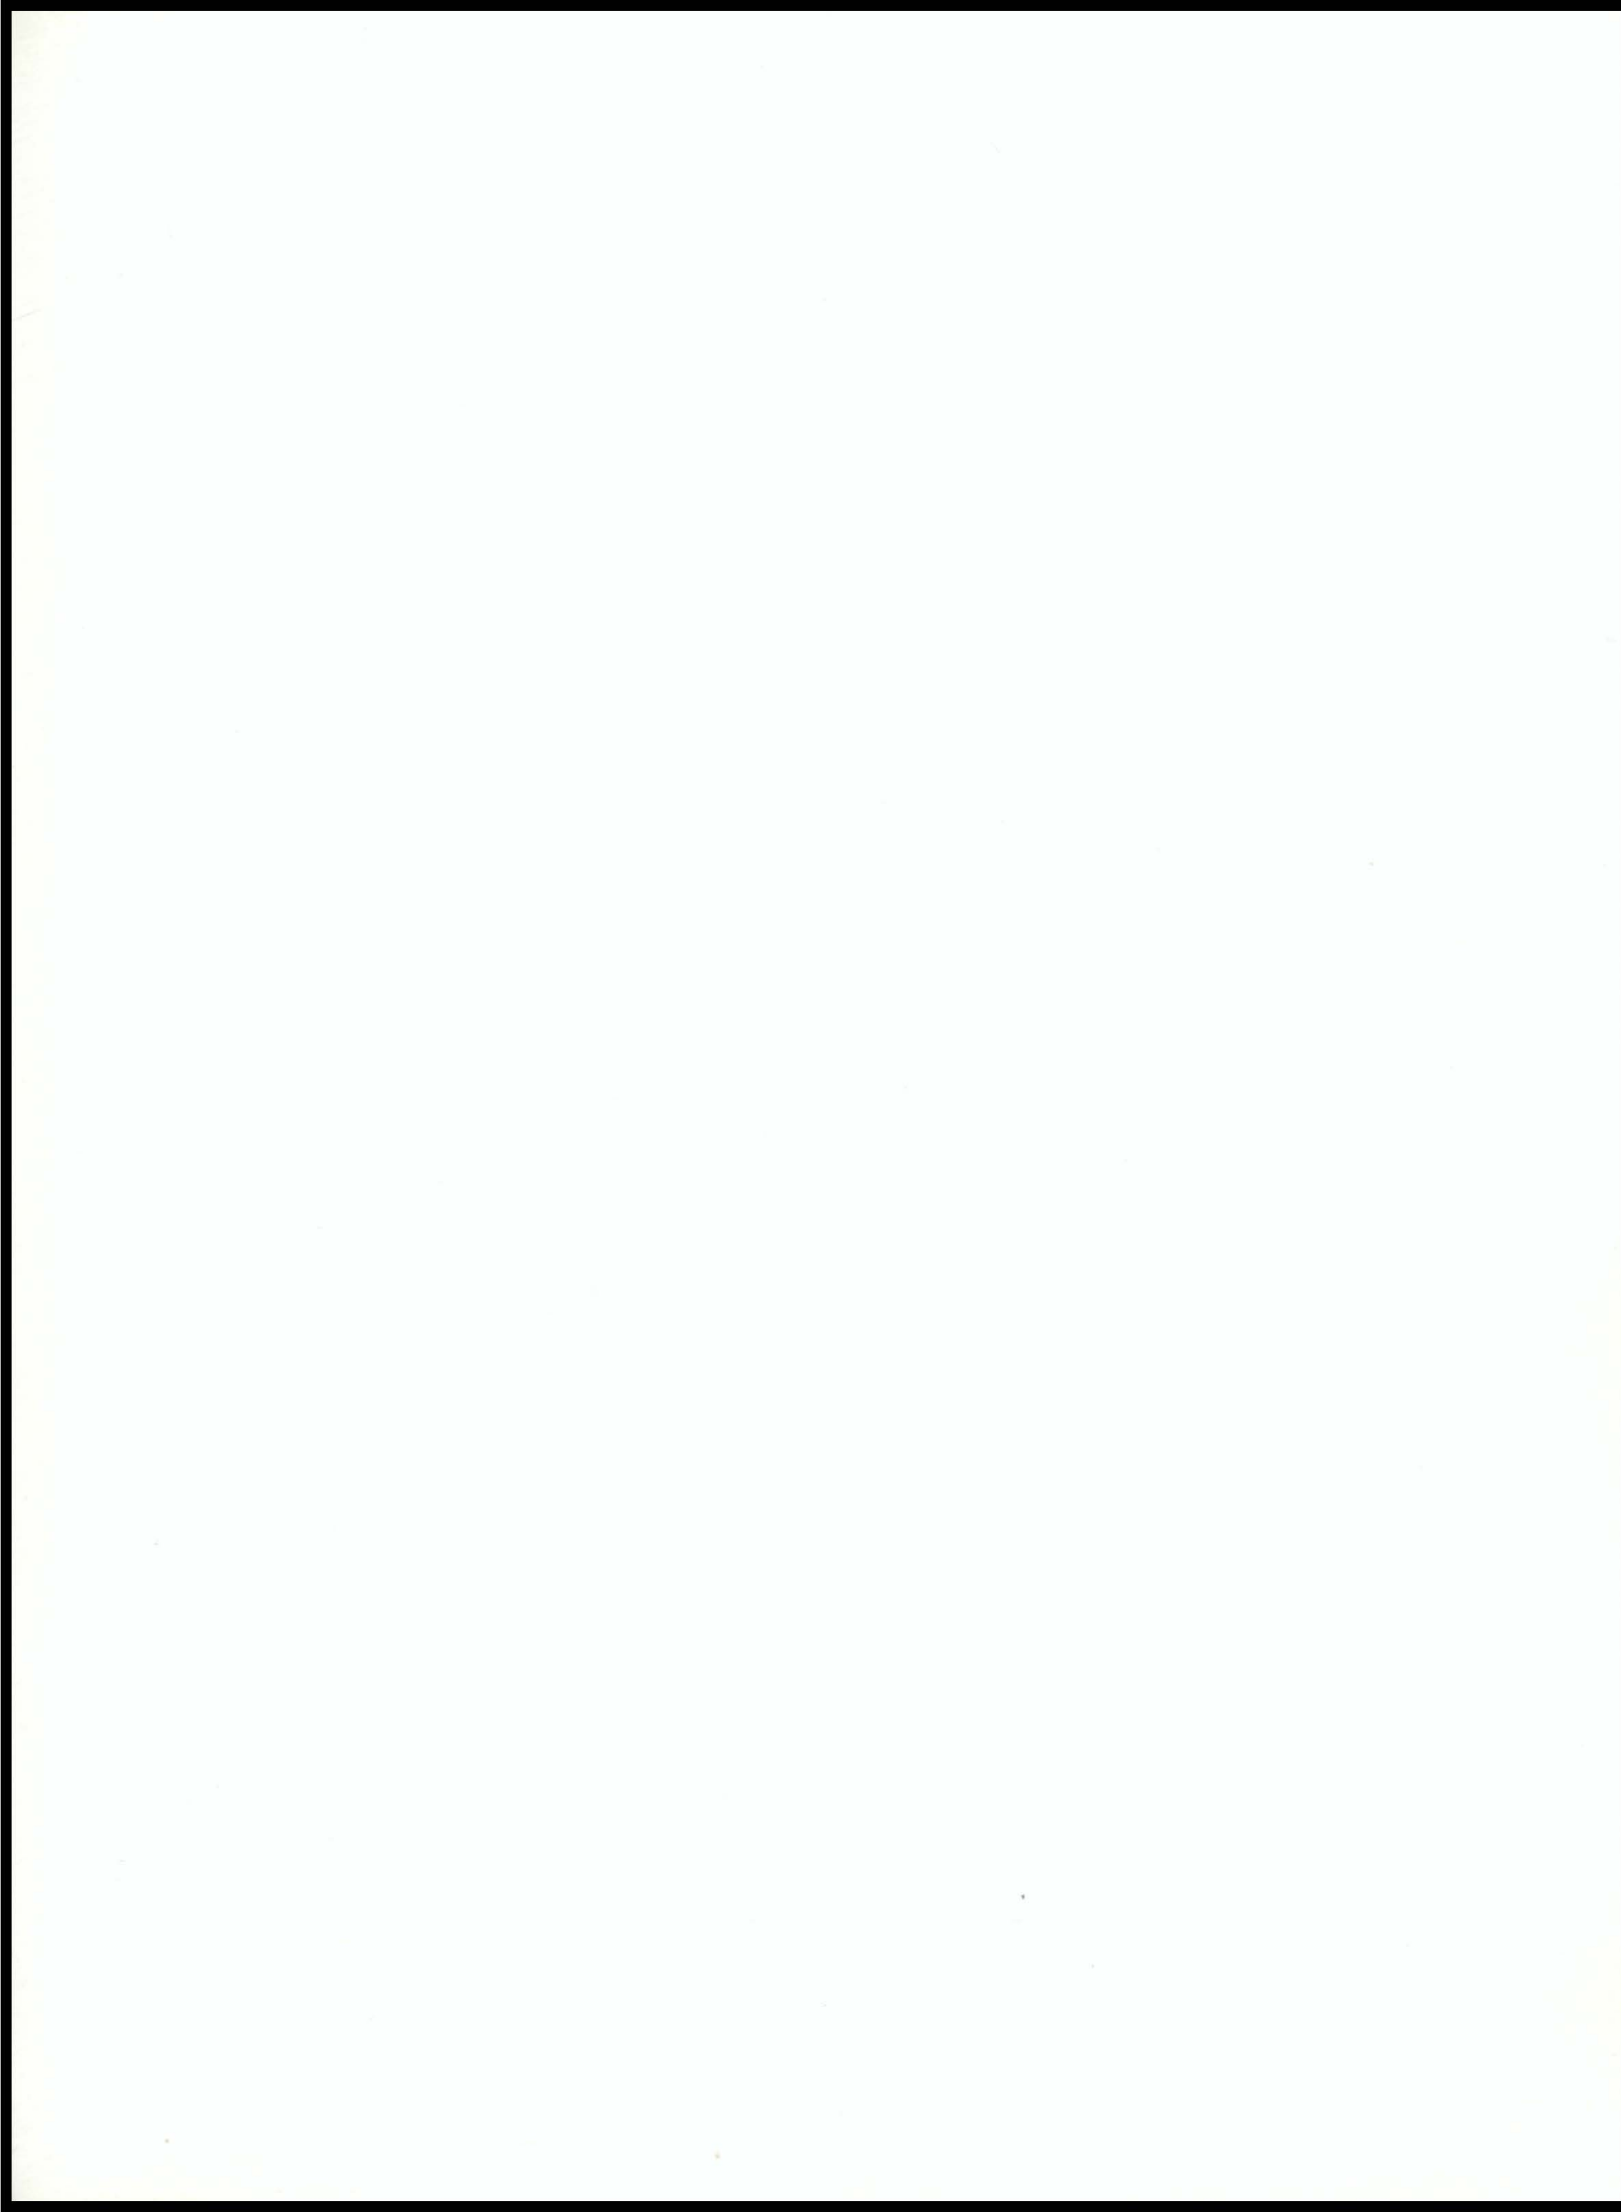

We Love You,
Dad, Mom and Adrienne
